THE KEY TO SUCCESS

Now, we are in readiness to begin our journey through life in search of happiness and success. Many barriers will confront us on our way, but, more than ever before, we realize that we possess the key to the things we value most. That key is Education.

It is a key that will fit all locks and throw the way open to new vistas of opportunity and advancement.

Matched with the Master Key of service to others, Education becomes the means by which we may take our place in the world as intelligent, useful citizens.

Now the time has come, and we shall fit the key into the first lock, turn it, and swing open the great door of life.

DEDICATION

Through the courtesy of The Pontiac Daily Press.

We dedicate the 1948 Falcon to the men and women whose financial support has made this book possible—the citizens of Rochester and outlying communities.

Seated: Mason Case, Howard McGregor, Jr., Earl Dean.

Standing: Lewis Arscott, Vern Sutton.

DEBTS OUTSTANDING—

On the eve of our graduation, we pause to take stock of the many obligations we owe to our Superintendent and the Board of Education. This group of public-spirited citizens has spared no effort in securing for us the finest educational and character-building opportunities. The program of mental health is an example of the many keys to success made available to us.

The way in which they have so capably shouldered their responsibilities may well serve as an illustration for us to follow as we take our place in the community.

RICHARD HUIZENGA

"We don't want him any longer, he's long enough."

E. DALE KENNEDY

"We thank the school for the chance we've had of knowing him. His abilities earn respect and his character justifies admiration."

LINDA KNORPP

"The highest graces of music flow from the heart."

IN MEMORIAM

This is in memory of two of the finest friends we have ever had. One, who was a recent graduate; the other, a schoolmate. Their personalities will live on in the thoughts of their fellow students. Their departure is marked by all of us with a deep sense of loss and sorrow.

Shall I say that what heaven gave
  Earth has taken?
Or that sleepers in the grave
  Reawaken?

One sole sentence can I know,
  Can I say;
You, my comrade, had to go,
  I to stay.

MEMORY LANE

"Successful Seniors"

We are now ready to close the gate on Memory Lane. Before our departure, we stand reluctantly looking back to the first milestone we passed as we started on this journey. There at the entrance was our Freshmen year.

So timid we were at first that we hardly realized what opportunities lay open to us. However, the annual Mixer started us quite gaily on our way.

Before we realized it we had reached our second milestone, our Sophomore year. Here the pace began to pick up for us. New and enjoyable experinces began: the "Maypole Follies," roller skating parties, and etiquette quiz, and receiving of class ring.

By the time we reached the third milestone, our Junior year, we were in full swing for the "J-Hop"—our biggest gala occasion. For fun loving juniors, the "Jack-O-Lantern Swing" was a peppy affair. Then we all shuffled along in the "Saddle-Shoe Shuffle." Decorating the stage for commencement was really a thrill. These scenes increased our anticipation to reach our last milestone, the climax of all, our Senior year.

Great was our excitement in preparation for the senior trip—then that trip of trips—a four day cruise. Hardly had we returned from our trip when we found ourselves at the "Senior Prom" dancing in delirious rapture. From there we were all whisked to the Senior banquet, our last get together. Here the lane grew narrow. It was but a stones throw to commencement, the biggest event in our lives. Starting with the Baccalaureate sermon we began the many ceremonies of this occasion, Honors Conference, and that final day of days our graduation. We have traveled down the lane, it is now time to close the gate.

MEMORY LANE

Sophisticated Juniors

The entire year has been spent with plans and schemes for making the "J-Hop" a success. The financial status of the class was improved with the "Mail Call," an all school dance. The planning and arranging of the stage for Commencement week was carried out with special care and regrets, with fond memories of classmates leaving, but with great plans for the coming year.

Rochester Joins In New League Set-Up

Face Pontiac Eastern At Halbach Field

The Falcon Frosh squad opens its 1947 season tonight in a league battle with Pontiac Eastern High school. The game starts at 8 p. m. and will be played under the lights at Halbach field.

Rochester recently joined the newly formed Suburban Jr. High Athletic conference. The conference is composed of the following schools:

Pontiac Eastern.
Pontiac Lincoln Jr. High, Pontiac.
Washington Jr. High, Pontiac.
Royal Oak.
Highland Park.
Rochester.

The most outstanding prospects, so far, are James Greiner at quarterback; Frank Fortune at Fullback; halfbacks Felix Montville and Jr. Spilak; centers Eddy Teater and James Lees; Robert Williams and Phillip Bartholomew at guard; Michael Monticotte and Merwyn Avery at tackle and ends Marvin Fuller and Dale Partrick.

Some other promising young athletes are Glenn Stamper, Duane Peltier, Harvey Vincent, and Harold Shepard in the back field, ends Bill Lothery, Larry Dill and Donald Case, James Thompson at guard and Martin Olson at center.

The boys that show the best blocking and tackling during the last few practice sessions will make up the starting lineup.

Free College Education Offered To Those Who Pass Naval Exams

College Training Program Re-scheduled This Year

The Navy announced recently that the second nation-wide competitive examination for its College Training Program has been scheduled for December 13, 1947, and will be open to high school seniors or graduates within the age requirements. Successful candidates will be given a four-year college education at government expense and will be commissioned as officers of the Navy or Marine Corps upon graduation.

The program is open to male citizens of the United States between the ages of 17 and 21, and quotas have been assigned to each state and territory on the basis of its high school population. Those who are successful in passing the aptitude test will be interviewed and given [illegible] for two years. assigned to the 52 Naval Reserve Offcers' Training Corps units which are located in various universities and colleges in the United States. If accepted by the college, they will be appointed Midshipmen, U.S.N.R., and will have their tuition, books, and normal fees paid for by the government. In addition they will receive pay at the rate of $50.00 a month for the four-year period. Upon graduation they may be commissioned as officers in the Regular Navy or Marine Corps and required to serve [illegible] for

Sweinert started looking for replacements. His team will recover, but not in time for the first game.

(Ed's note: The team recovered and played Brush school of Center Line on Friday night and won, said a dispatch from Utica today.)

[illegible]ming committee consisted of Phyllis Rewold, Gloria Bailey, Joan Shaffer, Mary Barnes, Helen Hayward, Tom Severance, Alan Lamphier, Charles George. In addition to them, class officers Bill Boyney, Dean Pauloski, Shirley Wyett, and Larry Shepard, took part in the voting.

One objection to many plays, including "Dear Ruth" is the small cast needed. However, there was little controversy in making this selection since "Dear Ruth" is far superior to the other plays available. The production is slated for presentation on December 4 and 5.

FALCONS PREPARE FOR TRI-COUNTY STARTER

Rochester Given Edge In League Tilt With Oxford

Our Fighting Falcons will swing into their own league Friday night when the Oxford Wildcats journey down here for the Tri-County opener. All indications point to a Rochester victory. [illegible] most rugged competition awaiting the squ[illegible]e season.

Oxford's new coac[illegible]ly won't field [illegible]dable a line[illegible] at's haphazgs to[illegible] team, and only [illegible] threat the champs in 1946.

Rochester is paired up with Romeo as far as the runner-up spot is concerned and the real fight of the conference will be for this second position, according to Bill Martin, Pontiac Press sports writer. Lake Orion should grab third rung, while Oxford and Imlay City rate fairly even to round out the league.

Injuries Take Toll

One sore spot in the picture for Rochester, however is the fact that several good men have been laid up by injuries. Alan Lamphier's bad ankle probably won't be healed enough to let him play Friday. Jerry Warren will also have to watch from the sidelines because of his bad leg. Bob Mason's leg injury won't let him stay in for the entire game.

If everything goes well, though, Coach Konley expects to have a fairly decent team on the field Friday night.

Tryouts Next Week For Popular Play

At a meeting of the senior play reading committee with the class officers last night, the popular play, "Dear Ruth" was chosen to be produced by the senior class. Books were immediately ordered. Tryouts will be held on Monday and Tuesday of next week.

"Dear Ruth" is a story of a girl's kid sister who writes to a fellow in the U. S. Army. The catch is that she signs her older sister's name. When the G. I. comes home, he finds the big sister engaged to a banker and then complications really begin to set in.

"Dear Ruth" was first produced by Joseph M. Hyman and Bernard Hart, under the direction of Moss Hart, at Henry Miller's the-

REVIEW OF "PAPER CAPER"

The Councilor can guarantee publication for at least a few more weeks, after presenting our "Paper Caper" to the students of Rochester High on Friday night. The dance was enjoyed by many students and alumni as well.

Recordings by John Boeberitz provided the background for the evenings entertainment for you who attended.

After purchasing your ticket you went down the stairs toward the gym. You left your coat in the locker room, and handed your ticket to the person at the door.

As you entered the gym, you noticed the pretty decorations. The paper in the center was the center of attraction to which were attached streamers that formed a false ceiling over the room.

As you walked in the door you were greeted by a teacher of last year, the Home Ec. teacher, and Cafeteria director, Miss Green. (It was nice seeing her again.)

While walking around and saying hello you noticed some very familiar faces of last year seniors. I hope, just like the rest of us, that they had a good time. At ten o'clock the music was halted, and it was announced that pop and ice cream were being served in the cafeteria.

After intermission, dancing was

INSTRUMENTAL MUSIC

I. What divisions are made in Instrumental Music?
   1. Varsity Band
   2. Cadet Band
   3. Beginner's Band
   4. Dixieland Band
   5. Instrumental Solo and Ensemble

II. How are these divisions made?
   As the name implies—

Varsity is the number one band, particularly noted for its successful marching and formations, especially the lighted formations. The band marched third place in the Pontiac Christmas parade and held a prominent place at one of the Detroit Lions' football games. After the football season, the Spring Concert and the festival at Grosse Point held the members' attention. Their main social event was the 'Bandmen's Bender."

Cadet Band, in addition to regular music work, studies techniques of marching for preparation in Varsity Band. The annual concert was held in April.

Beginner's Band has two divisions, grade and junior and senior high school. If work here is satisfactsory at the end of the first year, a promotion to the Cadet group is given.

Dixieland Band, a voluntary group, stresses dance music. No credit is given toward a diploma for this activity.

Instrumental Solo and Ensemble prepares ensembles for school and community use. They also played in the Spring Solo and Ensemble Festival in Royal Oak.

M. L. BURTON CLUB OF THE FUTURE TEACHERS OF AMERICA

When was this club organized?

We were a newly organized club this year, beginning with ten members for the first semester and increasing to nineteen members during the second semester. The complete membership is: H. Place, P. Daffron, B. Toth, J. Weldon, S. Low, M. Schoof, M. Reaume, R. Sweet, S. Brady, J. Newell, P. Galvin, S. Ingalsbe, S. Tyler, J. Wilson, C. De Lao, B. Barnes, B. Roy, D. Siewert, C. Gilmore.

How is this club organized?

We are chartered as Chapter number 8 for the state of Michigan and are one of the two active chapters this year in the state.

What is the purpose of this club?

The purpose of our club is prevocational and character forming. It is to give us an opportunity to learn facts about teaching in our locality, the state, and the nation; to cultivate character qualities essential to a good teacher; to study lives of great teachers, and develop student leadership. One of our projects the first semester has been the assisting teacher program in the elementary grades to gain first hand knowledge and experience in the teaching profession.
